

The books of the Bible Song!

In the beginning of the Bible the first books that you will see
Genesis and Exodus, Leviticus makes three!

Numbers, Deuteronomy—and here is something cool:

Joshua, Judges, Ruth and First and Second Samuel!

First and Second Kings, First Chronicles and then

Second Chronicles is where the first and seconds end!

Ezra was a prophet. Nehemiah built a wall.

Esther's before Job and King David wrote the Psalms!

That's halfway through the Old Testament.

Proverbs, Ecclesiastes and the Song of Solomon...

“I” is for Isaiah and there's “J” for Jeremiah.

Lamentations makes you think just like Ezekiel.

Daniel faced the lions and Hosea loved his wife.

Joel and Amos, I forgot what rhymes with Obadiah!

Jonah was swallowed by a big fish.

Micah and Nahum were Minor Prophets.

Habakkuk, Zephaniah, and then there's Haggai.

Zechariah is the second to the last book Malachi.

It's on to the New Testament!
